INFN LNF

Organizational Chart

(March 1st, 2018)

- **DIRECTOR**
  - Directorate
  - Secretariat
  - **RESEARCH DIVISION**
    - Secretariat
    - Library and Scientific Documentation
    - Detectors Development and Construction
    - Experimental Activities Support
    - Electronics and Automation
      - Automation and Controls
      - Electronic design
      - Microelectronics and CAD
    - Mechanics
      - Detector design
      - Mechanical Constructions
    - Computing
      - Network and General Services
      - Data Management and Storage Systems
      - Scientific Computing
    - Synchrotron light
      - Mechanics and Technologies
      - Operations
    - Scientific Information and Dissemination
      - Public Relations
      - Scientific Education and Dissemination
      - Graphics & Photo Archive
      - Multimedia & Exhibitions
  - **ACCELERATORS DIVISION**
    - Secretariat
    - Electronics & Diagnostics
      - Electronics and Diagnostics
      - Controls and Documentation
    - Cryogenics
      - Plants
    - Electrotechnical Engineering
      - Magnets and Power Supplies
    - Mechanical Engineering
      - Technical Office
      - Mechanics and Welding
      - Installation and Alignment
    - LINAC
      - Power Plants
      - Electronics
      - Safety
    - Radiofrequency
      - Radiofrequency Systems
      - Radiofrequency Controls
    - Vacuum
      - Ultra-vacuum
      - Mechanical Technologies & Brazing
    - Control Systems
      - Software Development
      - Systems Integration
    - Laser
  - **TECHNICAL DIVISION**
    - Secretariat
    - Construction
    - General Services
    - Central Storehouse and Procurement
      - Storehouse
      - Procurement and Mail Distribution
    - Mechanical Design and Construction
      - Mechanical Design
      - Mechanics
      - Metrology and Alignment
      - Metal Storehouse
    - Electrical System
      - Electrical Systems
      - Telephone Systems
    - Fluid System
      - Cooling Systems
      - Air-conditioning Systems
  - Administration
    - Foreign Affairs and Secretariat
    - Orders and Contracts
    - Payments
    - External Funds
    - Cashier and Missions
    - General Accounting
  - Personnel
    - Competitions, Fellowship, External Users
    - Personnel Management
    - Working regulations and IT procedures
  - Radioprotection and Occupational Health
    - Organizational procedures and Secretariat
    - Radiaton Controls
    - Infirmary and Medical Secretariat
  - Safety
    - Professional Risks Safety and Secretariat
    - Technical Operations
  - Knowledge Transfer
